Festive Wedding Receptions 2022/23

Here at the Little Fox, we love winter; it is such a special time as it allows us to show off our cosy, exclusive venue with the fire roaring and candles glowing.

We especially love our festive weddings as it allows us to show off to the maximum with the beautiful decorations, twinkling lights and Christmas trees creating a welcoming environment for your wedding reception.

With our real fire crackling away when you arrive, you can immediately ease your guests into the spirit of the day with a mulled wine or a festive fizz served with freshly prepared canapés.

As the afternoon light begins to fade, the room soaks up the candle light and the fairy lights twinkle to really create a special and magical atmosphere that you and your guests will never forget!

A festive wedding breakfast followed by cheese and port is served with wine and a glass of champagne for the toast, then it's into the evening with our resident DJ and your chosen evening buffet.
