

FINDING US ...

Walking:
5 mins walk from Deansgate Station. Cross over the road from the station and go down the cobbledly street (Castle Street). Cross the canal on the curved white footbridge and you'll see us in front of you....
...that thirst quencher is mere footsteps away.

Driving:
We've got a car park with space for about 30 cars. From the roundabout... take the little exit just before the Chester Rd (A56) / Deansgate exit.
Or, if you're coming from the M602 side, there's a cheeky left at the bottom of the slip road that will bring you right to our door.
